Date: 22/9/2005

Subj. Tender No. MT /14 / 2005
SUPPLING OF THRESHERING MACHINE

Closing Date 16 / 10 /2005

Dear Sir:

Would like to inform you that we intend to import the goods from basic origins mentioned in the attached list on basis of the following purchase & enclosed technical specifications:

- 1- Prices: (F.O.B.) and (CIF) unloaded in the warehouses of the BUYER, valid for (3) three months after closing date, prices to be final in American dollar.
- 2- Payment terms: through irrevocable confirmed L/C opened by TBI / Baghdad ,100% from the total value of received goods will be released according to our written notification after receipt and acceptance of the goods .
- 3- packing: should be in good and strong export packing bearing transport requirements and circumstances to avoid any damage or loss during transportation and storage . Any damage or loss due to outer or inner package would be responsibility of seller to compensate
- 4-Supplier should indicate origin and port of shipment, which should be supplier's country.
- 5- All available leaflets and catalogues are requested.
- 6-All banking charges and other duties inside Iraq shall be for buyer's account and outside Iraq for seller's account.
- 7-Arbitration: any disputes or differences arising out of execution of the contract which could not be settled between the two parties amicably according to the rules of Baghdad Chamber of Commerce, it should be finally settled according to the rules and regulations of Iraqi courts.
- 8-Supplier's representative will be informed the date of negotiation on the day of submitting the offer which should be with Director General, his Deputy, Commercial Manager or Exporting Manager, as well signing the contract. Copy of authenticated authorization mentioning name and position of the signed is requested.
- 9-Offer should refer to name and address of supplier's advising bank.
- 10-In case supplier fails to ship goods within the period agreed upon, he shall be liable to pay a penalty amounting to 1% of the value of the delayed shipment per each week . It should not exceed 10% of the total value the delayed shipment but not less than (5%) from its value .
- 11- In case delay was due to force majeure, supplier would be exempted from the above provision, therefore documentary evidence issued by concerned authorities and attested by Iraqi consulate in the country of the company testifying the force majeure is requested.
- 12-We can only accept offers of producing and manufacturing companies. All offers of agents and broker companies will be neglected.
- 13-Copy of the Company Registration certificate issued by the concerned authority at country of the company should be submitted with the offer.

- 14-The agent should submit an authorization issued from the mother company authenticated by the Iraqi consulate in the country of the supplier.
- 15-In the event that the fore mentioned documents are not presented nobody will be allowed to follow up any activity related to invitation and submitting offers.
- 16-Shipment should be effected by vessels of classification not less than 100 A1 at LLOYDS register or British Corporation BC or equivalent classification of similar register. Vessel should be seaworthy.
- 17-Vessel (s) should be included at one of the protection & indemnity clubs and seller should submit invoice showing that owner had paid installments for the last six months.
- 18-Vessel (s) maximum age (15) years up to (20) years accepted with extra insurance premium for seller's account.
- 19-Seller shall submit proof of vessel (s) age with other shipping documents as per LLOYDS or equivalent certificates.
- 20-Vessel (s) should comply with all port regulations of discharge. Vessel should have on board the necessary equipment and tools to land, discharge goods & have workable lifts.
- 21-Seller shall advise buyer vessel (s) name (s) prior to shipment.
- 22-Undertaking issued by owner of vessel states that the vessel is seaworthy at all times and in any event.
- 23-Any offer received after the closing date will be neglected as well as the objections.
- 24- Supplier should pay(0.002) two per thousand of the total amount of the contract as stamp duty in cash.
- 25- our company is not obliged to accept lowest prices.
- 26- The seller should submit 3% (three percent) bank guarantee (as a bid bond) from the total value of the offer with respect to this tender, and to be issued by an IRAQI reliable bank.
- 27- All offers should be addressed and sent not later than 16 / 10 / 2005 to one of the following addresses:
